The Hatco®/Suntec Snack System

ONE SYSTEM. ENDLESS USES.

The Snack System raises the bar on multi-purpose equipment. Featuring up to seven replaceable plates, it gives operators the freedom to swap plates and menu items in and out — all with one piece of equipment. It's one system that does the job of many, helping operators keep up with the latest revenue-driving consumer demands.

FEATURES FOR EVERY CONSUMER DEMAND

- Replaceable plates for **flexible menus and all-day breakfast**.
- Compact design transports easily and fits in any **on-the-go** friendly location.
- Exclusive heating elements deliver even heat — resulting in **less burnt food waste**.
- One-touch release with latch opener makes cleaning and swapping plates **fast and easy**.
- Programmable presets keep labor costs down while **cooking food to perfection**.
- Adjustable temperature settings enable creativity to **add unique twists** on classic recipes.
- Stainless steel construction is durable and looks great on any **convenience** snack bar or café counter.
- **On-demand cooking** controls allow operators to bake or grill as many or as few items as needed.
- Adjustable controls for time, power and individual-plate temperature give operators flexibility to **create their own menus**.
- Short cook times deliver **convenience without sacrificing the freshness** of made-to-order foods.

Get the Numbers Behind the Trends

MIX AND MATCH TO YOUR BELLY'S DELIGHT

The Snack System comes with Belgian waffle plates, plus an additional set of your choosing. But why stop there? Expand your menu and your sales with all seven cast-aluminum plates!

Freestyle
Makes 1 free-form waffle from any dough or batter

Belgian
Makes 1 standard round Belgian-style waffle

Heart Waffle
Makes 1 standard Heart Waffle-style waffle

Coffee Bean
Makes 12 bite-sized baked goods

Sandwich
Makes 1 portable "toasty" with sealed edges

Panini
Makes 1 panini with dual-sided grill marks

Donut
Makes 4 baked (not fried) soft donuts

Chelky
Makes 5 baked bars, such as croissant-dough chelky bars

Creativity with every plate

The Snack System gives operators the economy of go-to favorites like waffles with the versatility to experiment with recipes of their own.

Come up with new ideas or give these tried-and true Snack System favorites a whirl!
