Cashier Shield

Models: CS3040P, CS3040PNW, CS3236SP, CSHM4832, CSFLEXM1612-24

Hatco's lightweight, clear, transparent Cashier Shield can help you in your effort to prevent the spread of germs and viruses at checkout registers, restaurants, pharmacies and other customer interaction areas. It acts as a physical barrier that can limit the passing of contagions at customer interaction points. Clear partitions are more important than ever. Cashier Shield does not require tools for assembly.

Standard features

- Helps maintain social distance and physical separation
- Helps protect customers and employees
- Easily sanitized using non-abrasive cleaners
- Completely transparent/clear - will not obscure vision
- More impact resistant than glass, durable and light weight
- Rounded edges
- Easy to install
- CS3040P:
  - Convenient pass-through window at base of shield
  - .375" (10 mm) thick sturdy polycarbonate shield
  - 14 gauge Stainless Steel feet with mounting holes provided
  - Stands on its own, does not require tools for assembly
  - Feet can be secured to surface using mounting screw holes
- CS3040PNW:
  - Same features as CS3040P with no pass-through window
- CS3236SP:
  - 0.22" (5.6 mm) thick Acrylic shield
  - 1" (25 mm) square box stainless steel tubing support legs
  - Easy to assemble without tools (simple thumb screws secure shield to legs)
  - Legs have screw holes for secure mounting
  - Shield stands at a 55° angle
  - Stands on its own, does not require tools for assembly
  - Feet can be secured to surface using mounting screw holes
- CSHM4832:
  - 0.22" (5.6 mm) thick Acrylic shield
  - Can hang horizontally or vertically
  - 108" (4572 mm) long, 1/16" (2.6 mm) Stainless Steel cable
- CSFLEXM1612-24:
  - 0.22" (5.6 mm) thick Acrylic shield
  - Adjustable, flexible arm
  - Securely clamps to most surfaces
  - Portable
  - Easily adjusts to needed area
