Flav-R-Savor® Heated Air Curtain Merchandisers

Models:

FS4HAC-2426, -3026, -3626, -4226

Hatco's Flav-R-Savor® Heated Air Curtain Merchandiser is designed for grab-and-go applications where speed, visibility, and consistent holding matter. This open-front unit uses patented air curtain technology to maintain ideal serving temperatures without the need for doors, keeping hot food accessible during service. With bright LED lighting and full glass sides, it showcases products clearly while supporting reliable holding performance – perfect for driving impulse sales in busy foodservice environments.

FS4HAC-3626

FS4HAC-3626 with Digital Monitor Bracket option and accessory Digital Monitor (MONITOR-32)

Standard features

- New, improved design features full glass sides and larger cutouts that enhance aesthetics and provide maximum product visibility
- Doorless design allows for immediate access to products and delivers the holding power of a cabinet with the functionality of a merchandiser
- Patented air curtain technology provides even air distribution to gently warm each shelf for consistent holding
- Bright LED lighting creates balanced illumination to showcase products
- Shelf spacing allows easy access to a variety of packaged food items
- Removable crumb tray design simplifies cleaning and maintenance
- Accessory digital display monitor is available for showcasing menus, promotions, or product information (Optional bracket required — Available at time of order ONLY) (Excluding FS4HAC-2426 units)
- Interior Stainless Steel with a sleek black powdercoated exterior
- Each unit comes standard with six (6) product stops and product dividers
